Staff News

We welcome our new GPs Dr Andrew Matheson and Dr Kate Howgego (our GP registrar) and Sharon Kirby who has joined our Reception team.

We sadly say goodbye to Dr Andrew Sumnall, who joined the Practice in 1991. We wish Dr Sumnall a long and happy retirement. Congratulations to Dr Rachel Pring, who takes over as Managing Partner.

CORONAVIRUS UPDATE

Please continue to contact the Surgery if you have a medical problem. We have additional clinical space following the delivery of a porta-cabin. Our GPs will discuss the best way to proceed which may involve a telephone, video or face to face consultation. Available appointments include: diabetes, asthma, COPD, hypertension and CHD reviews, vaccinations and immunisations screening services including cervical smears, medicals and health checks and coils/ implants and minor surgery #StillHeretoHelp

Flu Clinics at Dyneley House Surgery

To maintain social distancing, the car park will be closed between 10:00 and 14:00 from 21st September and will continue to be closed throughout flu clinics to allow patients to queue safely.

When attending for your flu vaccination, please go to the car park for your flu vaccination at the rear of the building. Staff will be there to meet you.

There is a step to this entrance. Please make staff aware if you need help when you make your appointment and when you arrive for your vaccination.

Please make sure you attend on time. Please do not arrive too early or late.

Please don't attend if you are feeling unwell e.g. With COVID symptoms of high temperature, a cough and a loss of taste and smell.

Please wear a face covering and outdoor clothing suitable for the conditions. Be prepared to remove outdoor clothing quickly ready for your vaccination

A one way system will be in operation. We would only expect patients to be in the building for a few minutes

NOTE: the 50-64 year old age group will not be vaccinated until November and December, unless you have been identified as being in one of the 'at risk' groups.

We look forward to seeing you shortly and vaccinating you against 'flu.

Dr Sumnall's Retirement

Dr Andrew Sumnall, Senior Partner at Dyneley House Surgery will retire in October 2020 after almost 30 years caring for his patients. After meeting his wife, Judith whilst studying at Oxford University, Dr Sumnall qualified in 1986 and joined Drs Gibson, Craig, Allen, Bundock and Woods at Dyneley House Surgery in January 1991. He has been a GP trainer since 1994, training 26 doctors to develop their skills and join general practice to serve their local communities.
